

## **The Egyptian Theatre Preservation Association Newsletter October/November 2011**

This is our first newsletter to members of the Association to let you know that the Board of Directors is actively working for the Theatre and tell you what is happening.

We have received a Ford Foundation Grant which is designed to help us create both a Master Plan (our vision for the Theatre) and a Strategic Plan (how we get there). Foundations require that we have a workable system in place in order to qualify for grants. We will have these plans in place by December 2011. At that time, the Board and the City will be able to start applying for the large grants that will be necessary to fund the restoration work on the Egyptian Theatre.

We are still planning events to generate the funds needed for day-to-day expenses and to keep the Theatre in the public's eye. Mark your calendars!

<b>Date</b>	<b>Event</b>	<b>Place</b>	<b>Time</b>
10/29/11	Maltese Falcon – Humphrey Bogart	Shark Bites Café Across from Egyptian	7:00 PM
11/25/11	Santa Claus – Movie (TBA) This is the Christmas Event put on by Coos Bay with Santa Claus for the kids. Movie to start after all the children talk with Santa Claus.	Outdoor Inn 4 <sup>th</sup> & Bennett (Donations Accepted)	5:00PM
